**NAPLAN**

Students in years 3 and years 5 have been participating in NAPLAN this week. Thank you to all of the students involved in the testing for trying so hard and completing the testing to the best of your ability.

Thanks also to the teachers and parents for the care and support that you have provided.

**Mothers Day Stall**

Thank you for your wonderful support of the Mother’s Day stall last week. We hope that you all enjoyed the gifts that were lovingly selected by your children.

A huge thank you to everyone involved in organizing the great Mother’s Day stall. There was an enormous range of beautiful gifts from which the children were able to choose. The gifts were set out beautifully in the Art Room and there were plenty of parents to assist the students in selecting their ideal gift.

Many thanks to Rina Shields, Mandy Yardley, Lisa Iswahyudi, Heidi Timms, Jen Ensor and Rachel Davenport for your fantastic work on the stall.
Show Bags
Our show bags are selling well. If you would like to order a show bag, please collect an order form from the General Office. Don’t miss out!

Parents in Buildings During School Time
Please refrain from entering the school buildings between 9.00a.m. and 3.15p.m. It can be distracting for students to have parents peering in classroom windows AND there have been a number of occasions when teachers have had to abandon planned lessons because parents and friends have gathered and are chatting in the teaching space. Thank you in anticipation of your support in this matter.

Curriculum Day
A reminder to everyone that Tuesday 11 June has been approved by School Council as a Curriculum Day. Staff will be involved in professional learning activities. Students are not required at school on this day.

Incursions
Incursions are an integral part of your child’s learning at school and we enormously appreciate your support in ensuring your child’s participation. Over recent weeks we have been fortunate to host a number of incursions some of which we have been able to access for FREE! They have included “Energy Bob”, “Responsible Pet Ownership”, “Street Scene”, “Travel Safely” and a visit from a local historian.

Staff car park
A reminder that parents are not permitted to park in the staff car park.

The staff car park is also out of bounds for parents and children using it as a short cut to their classrooms. As this is a Health and Safety issue for the staff at our school, I ask that you obey our school rule and discuss with your children the dangers of the car park where staff and other Department employees are coming and going from 8.00 a.m. until 5.30 p.m. Thank you.
