**Aussie of the Month**

Kira is a dedicated student who challenges herself to improve in small ways every day.

She has shown great personal courage in overcoming her personal fears, whether it’s participating in a sporting game where balls may hit her, or presenting in front of her classmates.

At our recent camp in Alexandra, Kira attempted every activity despite not always being comfortable about doing so.

Her drive to extend herself and willingness to try new things makes her a great role model to her peers.

Congratulations Kira on being our Aussie of the Month.

**Choir Performance**
Thank you for your wonderful support of the Mother’s Day stall last week. We hope that you all enjoyed the gifts that were lovingly selected by your children. There was an enormous range of lovely gifts from which the children were able to choose. The gifts were set out beautifully. Thank you to Renee Phillips Kokori and Melissa Clancy for giving up your time to help on the stall.

**NAPLAN**

Students in years 3 and years 5 have been participating in NAPLAN this week. Thank you to all of the students involved in the testing for trying so hard and completing the testing to the best of your ability. Thanks also to the teachers and parents for the care and support that you have provided.
