

Dear families,

2022 EVENTS

Last week students took home a flyer with the list of confirmed events for this year. The cost of these events has been heavily subsidised by both the State Government and the Department of Education to enable all students to attend.

Forms went home on Friday and we are really happy to see lots of forms come in yesterday and today. These events will provide a fantastic opportunity to students which will strengthen the learning here at school. Families are reminded that CSEF can be used to cover these events. Payment plans are available to support camp payment.

BUNJIL PLACE

All students in year 1 and 2 visited Bunjil Place yesterday to see the live performance of the 13 Storey Treehouse. What fun they had! Students laughed, screamed, yelled out, and laughed some more as the performers engaged them. For many this was the first time they had been on a bus and for many more, the first time they visited a theatre.

Thank you to the staff for their work to plan and run this event – it was fabulous.

SCHOOL HOLIDAYS

The holidays are fast approaching, and I want to wish everyone a safe and happy Easter holiday break. This is a fabulous time of year to spend outdoors learning about the environment we live in and for students to explore our world. It is important they stay safe and well so they can all return with stories and events to share with their peers.

Students should read every weeknight of the holidays to ensure their literacy skills continue to develop. On the next page is a reading challenge for 25 nights. We know the holidays are 14 nights, so we ask parents and students to take up 14 different activities on this page.

PROJECT UPDATE

Over the school holidays the BER building will be re-painted. This will create a fresh new feel to the classrooms. It is important students show respect for the learning environment and help keep this building clean and tidy.

Along with this, major work will be carried out on the roofing to the school gym roof and the ¾ and 5/6 buildings. This work is important to then allow us to start and update the interior to the buildings. This work will cost in excess of \$175,000.

Happy holidays to you all.
