PARENT PAYMENTS POLICY

PARENT PAYMENT ARRANGEMENTS 2022

Dear Parent/Guardian,

Cranbourne Park Primary School is looking forward to another great year of teaching and learning. Please see below an outline of the school's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support by making a financial contribution each year. This has made a huge difference to our school and the programs we can offer. As our school undergoes a transformation, we value these contributions more than ever.

Within our school this support has helped us to:

- Offer a wide range of learning and specialist experiences for our students across all year levels
- Begin to paint the school, install blinds in the classrooms and upgrade the internal facilities for students to support learning
- Refurbishment of school grounds, with particular focus on the gardens and playgrounds
- Upgrade and purchase of additional IT devices such as laptops, computers and iPads

Please find below Cranbourne Park Primary School's financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. Parents are asked to review the recommended contributions schedule below for an indication of contributions.

For further information on the Department's Parent Payments Policy please see a one-page overview on our website.

Yours sincerely,

Ross Carlson
