

Newsletter

Respect for self, others, learning and environment.

From the Principal's Office...

From the Principal...

Dear Families.

As we approach the end of term I would like to reflect on the many successes and achievements of our students. We recently completed a series of assessments for the end of semester reports and the growth the students have made is outstanding. We were all extremely impressed with the behaviour and enthusiasm of the students at the various excursions and sports events this term. The students should be proud of all their effort and hard work.

Students in years 4-6 recently completed the AToSS (Attitude to School Survey). The results reflected data that we have collected across the year. It was pleasing to see that continued improvement across the last few years. The vast majority of students stated that they enjoy school, their teacher cares about them, all students feel included and there is an adult at the school that believes in them. It is very pleasing to see that our improved wellbeing strategies are having a positive impact on students.

We would like to remind families of the importance of home reading. Reading each night of the holidays will help your child retain the skills taught throughout the term. There is a significant difference between the students that read at home and those that do not. Reading makes up the vast majority of our homework expectations due to the positive impact it has on learning.

Lastly, you will most likely have received an email with the latest policy updates. We have a number of policies that are updated each year, with all current policies available on our website:

www.cranbournepark.vic.edu.au/page/107/

As this is the last newsletter of the term, I would like to wish you all a very happy, safe and relaxing break. We look forward to students returning on 10 July, 2023

Michael Youngs

Assistant Principal

Dates to Remember

Friday June 23, 2023

Last Day of Term 2. Free Dress & Whacky Hair Day Students dismissed at 2:30pm

Monday July 10, 2023 First day of Term 3

Did you know...

Did you know that the largest organ in your body is your skin? Your skin makes up about 15% of your overall body weight and the average adult has approximately 2 square meters of skin on their body. The thickest skin in on your feet, while the thinnest is your eyelids. A square inch of skin has close to 300 sweat glands, imagine how many sweat gland on your entire body?

2023 CSEF Applications close June 23

If you have a Health Care Card you may be eligible for a CSEF payment. Applications close soon so come into the school office to collect your application form. Remember to bring your HCC with you

Bunnings Fundraising

In May a few brave volunteers endured the elements to raise funds for the library. The goal was to raise enough money to replace the brown library couches with some fresh new furniture. We are so excited to let the school community know that our new library couches have arrived! The children are loving them, they are comfortable, colourful, wipeable and moveable. Thank you to all who helped in raising the funds necessary for this purchase and thank you to BFX furniture for supporting our school and providing us with free delivery.

Winter Lightning Prem

Last week our students travelled to Casey Stadium and Grices Recreation Reserve to represent our school in Newcombe, Soccer & Netball. The students had a tremendous day, our netballers brought home the victory and our newcombe and soccer players gave it their all on the field. It was fabulous to see everyone working as a team and striving for a common goal. A big thank you to the parents who attended the venue to support the children.

Winter Lightning Prem

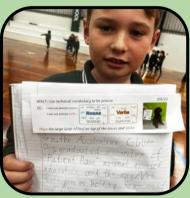

Ren Update

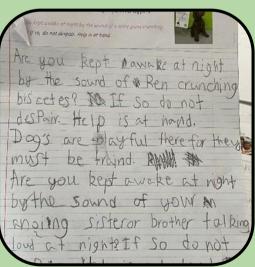

Mrs Qualizza and 3Q have absolutely loved having our wellbeing dog Ren in our classroom the last couple of weeks. She is learning how to be calm in a classroom and was a very good girl who stayed in her crate as she got used to the sound of a busy classroom. Not only have we loved having a furry friend visiting our classroom, we have also enjoyed writing about Ren too! The children have been writing about Ren's journey, they wrote about Ren's breed, appearance, behaviour and achievements. Ren is developing close bonds with the students which will ultimately result in Ren being able to support the students emotionally, academically and socially.

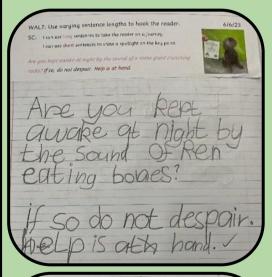

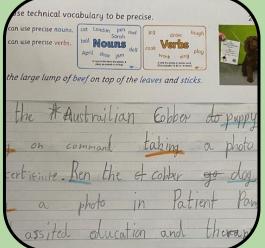

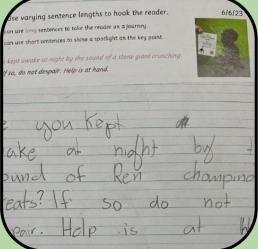

Taikos Excursion

Year 5/6 Excursion-TAIKOZ Japanese Drumming session at Bunjil Place.

On Friday 02 June 2023, the four year 5 and 6 classes accompanied by their teachers, Ms Shields and Mrs Sundramoorthy, travelled to Bunjil Place to attend the Taikoz Japanese Drumming session. The performance began at 11:00am and lasted an hour.

Taikoz, which combines the Japanese word for drum 'taiko' and 'Oz', has been performing for schools and the public all around Australia since 1997. The three performers, who had 40 years' experience between them, really brought traditional Japanese drumming to life for our students and made the performance interactive by adding dancing and singing activities for the students to participate in. Students learnt some of the names of the different types of barrel-shaped drums which were played, such as the large nagadō-daiko played by two performers at once, as well as the smaller shime-daiko.

At the end of the session, students were invited to ask questions which the performers answered. Students were definitely impressed by the skill of the three drummers, as well as how strong they had to be to play the different sized drums the way they did.

After the performance, students had lunch before boarding buses to return to Cranbourne Park.

Congratulations to all the students for being such respectful representatives of our school from the moment they left their classrooms to the moment they returned to school. Well done year 5 and 6!

Reminders

Mark your Calendars!

Friday June 23, 2023 Last Day of Term - 2:30pm dismissal

Remember to read with your children everyday

	1 or 2 days a	week doesn't see	m much but			
If your child misses	That equals	Which is	And over 13 years of schooling that's	Which means the best your child might perform is		
1 Day per fortnight	20 Days per year	4 weeks per year	Nearly 1.5 years	Equals to finishing in grade 11		
1 Day per week	1 Day per week 40 Days per year		Over 2.5 years	Equals to finishing in grade 10		
2 Days per week	80 Days per year	16 weeks per year	Over 5 years	Equals to finishing in grade 7		
3 Days per week	120 Days per year	24 weeks per year	Over 8 years	Equals to finishing in grade 4		

EVERY MINUTE COUNTS ...

Lost minutes mean lost learning!

When your child misses just	that equals	which is	and therefore, from Prep to Year 12, that is		
10 minutes a day	50 minutes of learning time each week	Nearly 1½ weeks per year	Nearly ½ year of school		
O minutes a day		Nearly 2½ weeks per year	Nearly a year of school		
1/2 an hour a day	½ a day of learning each week	4 weeks a year	Nearly 1½ years of learning		
1 hour a day	1 whole day of learning each week	8 weeks per year or nearly a term a year	Over 2½ years of learning

Friday Lunch Orders

Are you thinking of having a lunch order on Friday? There are some simple steps to placing an order:

- 1. Write your name and class on a lunch order bag or envelope (If order is in an envelope include and extra 20 cents for a lunch order bag)
- 2. Note down the items you would like to order along with the price per item.
- 3. Add the prices up and write down the total on the lunch bag or envelope.
- 4. Put the money in the bag/envelope or pay by Eftpos at the school office
- 5. Hand your lunch order in at the office when you arrive at school

If you cannot hand it in on Lunch Order day, please hand it in the day before.
