

27th May, 2021

COVID LOCKDOWN

Dear Families,

An announcement has just been made by the Department of Education that tomorrow **Friday 28th May** will be a pupil free day.

All Government schools will be preparing for the remote learning to take place next Monday 31st May to Thursday 3rd June inclusive.

What does that mean for our students and our wider school community?

- Schools will be closed from **today** for all students **EXCEPT** for vulnerable students, students in out-of-home care and students of essential workers. If your child fits within these exemption groups and you require your child to attend school, we ask that parents contact us by phone no later than 4:00pm today. Please note there will be limited availability due to staff attendance and only those that cannot be supervised at home will be accepted on-site.
- All other students will have access to remote learning from **Monday**. Our teachers will be delivering online learning tasks via Seesaw and connecting with students via webex.
- With such short notice of closure, staff will use tomorrow to plan the remote learning program for the first 4 days of next week. There will be no formal tasks set for tomorrow.

We have been informed that we will be given further advice in relation to the removal of lockdown procedures on or before Thursday 3rd June. As soon as we have updated information on when schools can re-open, we will advise our community via Sentral.

We thank you for your understanding during this time.

Yours sincerely,

Ross Carlson
Principal
