

COVID UPDATE

5th August 2021

Dear families,

Unfortunately, we head into Lockdown 6.0 effective from tonight 8:00pm. As you would be aware the Victorian Government has announced a seven (7) day lockdown due to the number of COVID cases. At this stage school will resume on-site next Friday 13th August.

The school will enter into remote learning from tomorrow morning. Teachers will have work available for students to connect through seesaw.

A reminder to parents that tomorrow is NOT a pupil-free day. ALL students are expected to connect with their learning for tomorrow and all of next week.

The school will still be open for students as per in previous lockdowns. Tomorrow will be limited with the short notice of the lockdown. Parents are asked to contact us tomorrow for attendance next week.

We appreciate the struggles families will go through when arranging care of children and the challenges faced with another lockdown. If you are in need of support please reach out to the school and we can assist where possible.

More information will be available as it is known,

Regards,

Ross Carlson
Principal
