

CPPS CHRONICLE

March 2026

Term 1

Principal: Mr Michael Youngs

CPPS presents our 2026 School Leaders:

Cranbourne Park Primary School is proud to present our 2026 School Leaders: Evan, Jiya, and Perosi.

Each student successfully completed a comprehensive selection process, which included a written application, an interview, and a selection process. We congratulate our three outstanding leaders on their achievement and commend them for the dedication and effort they demonstrated throughout.

When asked what they are most looking forward to in their new roles, they shared their excitement about attending the Leaders' Excursion and embracing the responsibilities that come with being a school leader.

CPPS is incredibly proud of our 2026 leaders and look forward to seeing the positive impact they will make within our school community.

Grade 1 Excursion to Bunjil Place on March 27

On March 27, our Grade 1 students will attend a live theatre performance based on the beloved children's book Spot. This exciting experience will give students the opportunity to enjoy live theatre while broadening their cultural repertoire. We look forward to a wonderful performance that will bring this much-loved story to life for our students.

Please return your child's excursion form to the office by Friday 6 March to avoid disappointment (spare forms available from the office)

Good News Monthly

Cranbourne Park Primary School's Community News

Do you have a good news story you would like to share with the school community such as the birth of a baby? or an MVP nomination? If so, we would love to hear about it. Please email the school via cranbourne.park.ps@education.vic.gov.au with the subject line. Good news monthly and we will endeavour to share your news with the school community.

*Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.*

Safety First

Is your child riding a bike or scooter to school? Part of being a responsible rider is wearing the appropriate safety equipment, like helmets, knee pads and wrist guards. A little annoyance now can save a lot of pain later! **THINK HELMET**
