SENIOR AUSSIE OF THE MONTH APRIL

2017: Jashan Jangra

As one of our esteemed school captains, Jashan takes his role very seriously. Just last week, he gave up his ANZAC day away from school to lay a wreath on behalf of all of us here at the ANZAC Day memorial in Cranbourne.

Jashan models excellent behaviour in every facet of school life, every day. He constantly displays great social and emotional skills around the playground and in the classroom in addition to his academic prowess. As one of three grade 6 students chosen by his teachers to represent our school in an academic challenge, he gave up the second day in a two day holiday to compete and win! Well done Jashan on striving being the best person you can be and on being a fantastic

Mother's Day Stall

Many thanks to everyone who supported our Mother's Day stall. We hope the Mums and other significant others enjoyed the gifts they were given. Many thanks to Rina Shields for organizing this event and to Kathleen Espie, Raj Mandhap and Amna Kamran for their wonderful assistance on the day.

We Are All Stars: Watch Us Shine.

Many thanks to all who came to our recent Classroom Helpers Working Bee and created our 2017 school mural to promote the KidsMatter slogan, "Every Face Has A Place".

We want Our Students To Tell Us What They Think

We value student voice as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of our school. The Attitudes to School survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

The Department has updated the survey for 2017 to include important new measures that are known to influence student engagement and performance. Students from <<School inserts year levels as applicable - Year 4 to Year 12, Year 5 and 6, Year 7 to 12 etc>> at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any point before, during, or after completion of the survey.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used by the Department to combine data for research purposes only. Your child's privacy and the confidentiality of your child's survey responses will be protected at all times. No identifiable personal data is included in the survey response file.

The survey results will be reported back to the school in term 3. No student can be identified in the results reported to schools or in any other report of the data.

This year the Attitudes to School survey will be conducted at our school over the period Monday 22 May to Friday 23 June. The survey only takes 20-30 minutes to complete and occurs during your child's class time.

Please speak to your child's teacher if you would like more information or visit the Department of Education and Training website:

Klub Makan (Breakfast Club) A Very Busy Place

Our Breakfast Club, Klub Makan, is available to all Cranbourne Park Primary School students. It is held

every school day mornings in our Multi-Purpose Room and is free of charge.

Klub Makan provides children with a healthy brekkie and is a positive social experience!

Breakfast Club opens at 8:15am and runs until 8:50am (children will be required to stay in the multipurpose room until 8:45am).

Breakfast consists of a choice of toast and spreads, cereal and milk or juice.

Students who use the breakfast club are required to pre-register. If your child is interested in joining the Breakfast Club please obtain a registration form from the Office and return it as soon as possible so we can organise catering!

Our "I Sea, I Care" ambassadors have been busy over the last couple of weeks. In addition to conducting peer teaching lessons with children in grades 1 and 2, they have been engaged in creating beautiful glass pebble magnets. The magnets will be available for sale at Open Night next Tuesday for \$2 each. The money raised will be donated to the Dolphin Research Institute
