

PARENT UPDATE

11th February 2021

Dear parents/carers,

SCHOOL VISION

At the end of the school review in December 2020 the new Strategic Plan was started which will drive our teaching and learning goals for the next four years. As part of creating this new strategic plan we have re-created our vision and mission statement with input from staff and parents.

The following vision is what we want our students to aspire to.

“To inspire every student to achieve all round excellence in every aspect of their lives.”

Our mission statement outlines how we will achieve this mission.

“To provide a safe, structured and supportive environment where all students can reach their full potential.”

Students will start to notice new posters and displays around the school promoting these statements. Parents and the wider community are asked to support us with these by regularly promoting positive behaviour at school, routines at home to support learning and a strong positive relationship between home and school.

SCHOOL COUNCIL

A reminder that there are three vacancies for parent positions on school council. If you are keen to support the school in bringing about positive change and driving forward the new strategic plan we would love to have your nomination. Please see Chris in the Office for further details and a nomination form.

Nominations close Monday 15th February.

It is anticipated the following will support parent attendance

Meetings will be held online

Meetings run between 30-60 minutes

Currently school council meetings are scheduled for Tuesdays but may move to Mondays

School Council is a great opportunity to support your children and all students at the school. Your viewpoint will assist in shaping the direction of the school.

OVAL PLAY AREAS

We have had a few calls from parents enquiring about the play areas on the oval. To reassure students and families there are no out-of-bounds areas on the oval. Students are free to play under the trees and adjacent to fences. Students are not permitted to climb fences or sit against them and we encourage them to stay away from the lower fences.
